Brooke's Scary Ride

If Armando has never “been this far south on Mount Hope,” how would he have known to slow suddenly and pull to one side at a bumpy railway crossing?

Measuring from ‘A’ to ‘M’

36 millimetres.

CORRECTION

In “Chuck’s Bus Breaks Down Again,” a puzzle in the fall issue, the teaser supposed to mean “mixed company” was missing an “o” and had an extra “a” instead. Thanks to sharp-eyed readers for catching the mistake. Sorry!
