At the Charleston Fair

D is the impossible cube.

A Conversation in the Spectators' Gallery

$(36 + 8) - 1961 = 1917$. Grandma is 57 today.

You've Got 90 Seconds!

1. The man and woman are on a traffic island.
2. Mary is the fifth daughter.
3. 4100. (The most frequent answer by far is 5000!)

Using the Dictionary in Your Head

forty > **forum** > forward

life > **lift** > ligament

quit > **quiver** > quiz

implicate > **implicit** > implied

trust > **truth** > try

heather > **heave** > heaven

The Body in the Badlands

There are no footprints at the site so whoever dumped the body had to be able to do it from inside the vehicle.
