
PUZZLING SOLUTIONS IN THE HILLS WINTER 2016

**Between
Rosemont and
Belwood**

The results for
the first race:
Gene – first
Marv – second
Moir – third
Papa Joe – last

At Home in Amaranth

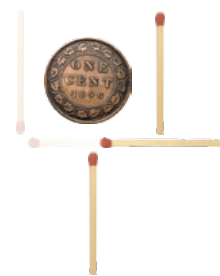

A – There are 22 four-sided
figures in the diagram.
B – [*Our solution; there are
others.*] Number the figures
1–9 and make a list as the
figures are counted. The
method helps avoid
duplication and ensures
figures are not missed.

Something for a Stormy Night
