

PUZZLING SOLUTIONS FROM PAGE 130

Some Canadian Numbers

- 1 **X** – Barbara Ann Scott won gold in *1948*. (The Olympic Games are always held in even numbered years.) It was Canada’s first-ever gold in women’s figure skating.
- 2 **O** – George VI and Queen Elizabeth visited in 1939 just before World War II.
- 3 **O** – The Grand River flows into Lake Erie; the Credit and Humber flow into Lake Ontario and the Nottawasaga into Lake Huron via Georgian Bay.

- 4 **O** – Bennett never married. Nor did William Lyon Mackenzie King.
- 5 **X** – Parliament passed the National Sports of Canada Act in 1994 designating hockey as the country’s national *winter* sport and lacrosse as the national *summer* sport.
- 6 **O** – BC joined in 1871, after Manitoba (fifth) in 1870. PEI (seventh) joined in 1873.
- 7 **X** – Canada has the *second* largest land mass. China is third, the USA fourth.
- 8 **O** – Short story writer Alice Munro is the only literature laureate so far (2013).
- 9 **O** – The loonie made its official appearance in 1987, 31 years ago.

Not Entirely Silly

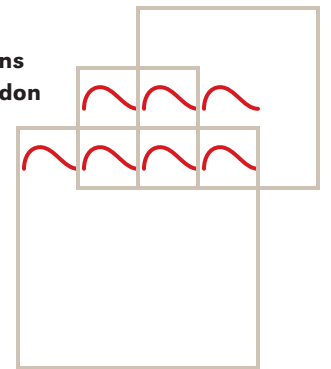

- i Marla lives in Australia.
- ii He shaves.
- iii Wrong
- iv Tug of war
- v An analog (non-digital) clock
- vi A north wind blows *from* the north; a north road goes *to* the north.
- vii dwarf, dwell, dwindle
- viii Boxing
- ix You need a camera.
- x Neither is right.

A Wagonload of Nails

In order of who lifted and stored most to least: Ed, Bill, Harold, Mr. Adamson.

Drumlins in Caledon

Spare Tires on the Hillsburgh Loop

Two. At 6,000 kilometres exchange the two spares with the two rear tires. At 12,000 exchange the two front tires with the rear-become-spare tires.
