We came up with six...

- uneven grammar
- potato dresser
- revive assess

How High Can You Go?

Eighty-eight is as high as you can go. After that, every cardinal number, if written in words, contains the letter 'n'.

**At the Corner of Erin,
Caledon and East
Garafra**

Ed's mishap with the mouse-trap was first, followed by Melissa's, who was kicked by the jersey cow. Evan (third) was stung by a wasp and Evie (fourth) sprained her ankle. Morley's scratch was fifth in the order.
